

PDM: Programme for Management Development

Thanks to the collaboration between the Official Spanish Chamber of Commerce in Belgium and Luxembourg and **ESADE**, you can now benefit from a discount of up to 20% if you sign up for the *Program for Management Development (PMD)*. The [PDM](#) has an intensive monthly format consisting of three consecutive days once a month with a duration of seven months. Check [here](#) the program.

ESADE, with over fifty years of experience, transforms both careers and professional environments by offering educational programs which ensure, among others, a critical and different thinking, as well as a collaborative and transversal leadership style.

For more information and registration contact Laura.merino@esade.edu or ada.quentinperez@esade.edu
